## **MESSAGE**

Bangladesh National Cadet Corps (BNCC) has played an important role in the all-round development of the youth of our country. Its activities and curriculum provide an opportunity for our youth to channelize their energies in a creative manner, and develop resourceful, responsible, resilient, loyal leaders and team players through fun and challenging military-related activities. Rigorous training in a multi-cultural environment helped in instilling values and a sense of responsibility, which is required for all generations.

I compliment the Corps for the tremendous impact it has made over the years & I wish the Bangladesh National Cadet Corps success in all their future endeavours.

Place : Uttara, Dhaka.
